

**Measurement order
Linseis application laboratory**

Dear customers and Linseis authorised dealers,

To ensure the best possible measurement results, please complete this form. It is essential to obtain some information about all samples sent to our laboratories for measurement in order to minimise health risks for our staff and avoid contamination and damage to our equipment.

Please enter your contact details here and complete a sample information sheet for each sample..

General customer data

Name	<input type="text"/>
Company / Institute	<input type="text"/>
Department	<input type="text"/>
Adress	<input type="text"/>
Country	<input type="text"/>
POSTCODE	<input type="text"/>
email	<input type="text"/>
Telephone	<input type="text"/>

For authorised dealers only

Country	<input type="text"/>
Company	<input type="text"/>
Clerk	<input type="text"/>
Order number	<input type="text"/>

If the sample is sent via a retailer, please use this field. Please still enter the end customer's details above. If the measurement is an acceptance measurement or comparative measurement for an open order or appliance sale, please state the order number!
